13 **ORDER**

14 This is a standard foreclosure case involving one property. The Complaint is a MERS-
15 conspiracy type complaint listing nine causes of action. The case is not part of Case No. 2:09-
16 md-02119-JAT in the District of Arizona. The Court denied a motion to remand and granted two
17 motions to dismiss, because default was not in dispute and the foreclosure was statutorily proper
18 based upon the public records adduced.

19 Defendant Aurora Loan Services, LLC ("Aurora") has moved for the Court to reconsider.
20 Specifically, Aurora argues that the dismissal order contained a clear error. The error appears in
21 the conclusion paragraph of the order, which incorrectly states that certain claims in the case
22 remain with Judge Teilborg in District of Arizona Case No. 2:09-md-02119-JAT. The present
23 case is not a part of that multidistrict litigation case, and the inclusion of this statement was a
24 clerical error. The Clerk entered judgment and closed the case, as the Court ordered. The Court
25 will therefore grant the present motion as a motion to correct clerical error under Rule 60(a).

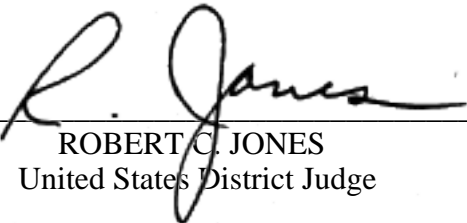

CONCLUSION

IT IS HEREBY ORDERED that the Motion to Reconsider (ECF No. 30) is GRANTED.

The sentence beginning with the word “Because” on line 7 of page 4 of the Court’s order of August 23, 2011 (ECF No. 28), and ending on line 11 of the same page, is hereby STRICKEN from the order.

IT IS SO ORDERED.

Dated this 7th day of October, 2011.

ROBERT C. JONES
United States District Judge
